**Tonight we welcome you for this Friday night  
under the lights fixture against Nostell Miners  
Welfare to kick off our March fixtures.**

February may have been slightly shorter in terms of days, but it certainly didn't give us any less drama on the pitch as a team!

Two wins at home, but three defeats away has left us outside of the play-offs with some very big games to come in March and April.

Clinching one of the play-off spots is very much in our own hands with matches against Beverley Town (home and away), Wakefield and Parkgate yet to come our destiny may well be decided against the best in the league - and we may well have a say on their own future as well.

---

One thing that is in our own hands is our discipline.

The game at Louth Town saw a tenth sending off of the season for one of our players or management.

There were words said prior to this game, and more said after the defeat as well.

The dismissals are of our own causing and can be stopped by making small adjustments and learning not to do the silly things we do.

The discipline issue has been a blot on our record this season, in what has been enjoyable for the most part on the pitch.

---

Our visit to Louth, despite the defeat, was one of the most enjoyable matchdays I've had this season.

The people were very friendly and happy to chat before, during and after the game. There was a great atmosphere on show and one I'd love to see again in the future, at one or more of the clubs we're yet to visit during our first NCEL sesason.

Enjoy the game,

*Alan Percival, Club Secretary.*

TOOLS AND MORE FOR ANY TASK

Just seven days after suffering defeat at Horbury Town, Wombwell welcomed them to the Recreation Ground looking for revenge.

The visitors were looking sharp on the attack, but couldn't find a way through with debut keeper Henry Kendrick and Danny Youel making an important save and block on the line.

Another parried save by Kendrick led to a Wellers attack on 12 minutes.

Gareth McDermott fed Kane Reece and some passing and moving saw Jordan Kershaw and Eddie Agnew combine to find Reece in the area.

The Wellers fell to a third away defeat in a row last Saturday as Louth Town put three past the defence inside the opening half an hour of the match.

Keeper Henry Kendrick had been tested several times before Finlay Drakes finally gave the hosts the lead on ten minutes when he converted the rebound.

Winger Kieren Perry doubled the lead just six minutes later after he was found free in the penalty area with a squared ball from the edge.

The Wellers started to come into the game, but were denied by 45 year

Reece played the ball across goal, but was fouled by keeper Paul Hagreen and with no goal coming from the cross the referee blew for a penalty.

Kershaw dispatched the penalty to give the Wellers the lead.

The score stayed 1-0 until the 67th minute when defender Cory Woodward got low to head in a beautiful chipped pass by sub Callum Walton after the winger's initial shot had been blocked and returned to him.

An added time goal by Ash Butterworth made it a nervy ending, but the points went to the home team.

old keeper Ian MacTaggart before Bailey Wright saw his shot from the left of the box loop over Kendrick into the far corner of the net to make it 3-0.

The Wellers came into the game in the second half, helped partly by the sin binning of Louth striker Mitchell Smith.

Eddie Agnew bagged his tenth of the season and 40th for the club on 57 minutes following a cross by Jason Paling.

Five minutes later Kane Reece's rebound shot was deflected over the keeper to make the game 3-2, but no equaliser could be found.

**Today's Opponents:** Nostell MW      **Nickname:** The Welfare

**Year Founded:** 1928      **Years in NCEL:** 2006 -

Season	League	Played	Won	Drawn	Lost	For	Against	Points	Position
21/22	NCEL 1	40	14	8	18	63	86	50	14/21
22/23	NCEL 1	38	13	5	20	65	79	44	12/20

Records exist that a team from Nostell Colliery won a Wakefield District football competition in the 1890's. The club has photographs of Nostell Colliery teams from 1915 & 1921. At that time the football field was not in the present location but on two sites fairly close by.

The Miner's Welfare was formed in 1928 after the purchase of the land by the Miners Trust Fund. The sum of £400 was paid to a local land owner for 4.5 acres which includes the land on which the present ground is situated.

In the late fifties a team from the Welfare visited Belgium to compete against local opposition, a feat unprecedented at that time. The club are proud owners of the trophy won on that successful tour and press cuttings of the occasion.

In the late 60's the club had a period of sustained success, winning several Wakefield District competitions and eventually being selected to join the West Yorkshire League, lifting the Division 2 League and Cup double in the 1966/67 season. However, the successful team eventually broke up and the club went back to the Wakefield League in the early 1970's. Enjoying relative success the club began to develop again; two teams were formed, the first team joining the West Yorkshire League in 1982.

Following mining subsidence to the ground,

fund raising of over £30,000 allowed the pitch to be levelled off, drainage installed and other ground improvements.

Promotions through the divisions of the West Yorkshire League, eventually led Nostell through to their present NCEL Premier Division status.

During the 90's the renamed Crofton Community Centre approximately £1.5 million was secured to provide the present facilities with Sport England, Football Foundation and the FA providing substantial sums of money to help the football side of the developments.

With the improvements on and off the field a successful application to the Northern Counties East League was made, heralding a new and exciting venture for the Club.

Gaining promotion to NCEL Division 1, Nostell finished a respectable 4th in their first season 2006/7. Due to the Northern Premier League reforming its structure Nostell gained promotion to NCEL Premier Division. A terrific first season in the premier league 2007/8 saw Nostell finish 5th, having led the division for the first quarter.

More recently, a disastrous 2016/17 season saw the club finish bottom of Division 1, but were offered a last-minute reprieve and retained their status in the NCEL.

Amongst our other Junior results our U18 Reds (pictured above) fell to defeat, but there were wins for our U8 Reds, U12s, and on Saturday our U12 Girls team won their first ever match with a 3-1 result.

Steph Marsland celebrates her goal.

Wakefield AFC maintained their one point advantage at the top of the table as Cameron Barnett, Jack Durkin and Sebastian Losa scored in their 3-1 home win over Worsbrough Bridge Athletic following Nathan Moss' opener for the visitors.

Second-placed Beverley Town ran out 9-0 winners at home to beleaguered bottom side Ollerton Town with a hat-trick for Joe McFadyen, two each for Conner Harman and Luke Suluburic, and one apiece for Benjamin Hinchliffe and Joshua Batty.

Ross Duggan's 82nd minute winner secured a 2-1 win for Parkgate at Nostell Miners Welfare that lifts the Steelmen up into third, three points off the summit but with seven games in hand of the leaders.

Shirebrook Town drop to fourth and Retford United stay fifth after their game at Cannon Park was one of two postponed due to a waterlogged pitch, the other being Retford FC's trip to Armthorpe Welfare.

Horbury Town's 2-0 home victory over Clay Cross Town keeps them seventh but now six points away from the top five, Jock Curran and

Last weekend our men's Sunday side defeated Worsbrough United 3-0 in a comfortable victory at Netherwood.

Top Scorer Connor Asquith netted a brace to make it 18 goals in 15 games to give the side a 2-0 lead before Riley Jepson added a third with 15 minutes remaining.

The side are now third in the league and five points clear, however teams below have games-in-hand.

Starting XI: A. Davison (gk), C. Asquith, M. Blakey, O. Evans, C. Fitzpatrick, C. Hague, D. Iancu, D. Land, N. Owen-Hill, J. Portman, M. Wynn.

Abdul Asamoah on the scoresheet for Darren Barnes' side.

There was a hat-trick for Jack Deakin as Staveley Miners Welfare beat visitors Swallownest 4-1, a defeat that leaves Swallownest, alongside Ollerton, stranded in the relegation zone.

The other side in the bottom three, Yorkshire Amateur, gave their survival hopes a boost as they won 1-0 at home to the side just above the trapdoor Glasshoughton Welfare.

Liam Parker struck with a quarter-of-an-hour remaining to reduce the gap between the two sides to just a point but there are bound to be more twists and turns with both of them still having eleven games to play.

James Woodhouse and Jack Briscoe got the goals in a 2-1 win for Athersley Recreation at Dronfield Town to ease their relegation fears a little.

And, an injury-time equaliser from Mike Morris saw the spoils shared in a 2-2 draw between hosts Harrogate Railway Athletic and Brigg Town.

The ladies were also in action and took on Hemsworth MW Development.

Having suffered a 3-2 defeat to their opponents on the opening day of the season, The Wellers recorded their first back-to-back clean sheets and took the points.

First half goals by Captain Emily Hooson and Stephanie Marsland secured the points in a score line that didn't reflect the one-way nature of the game.

They move to fifth, nine points ahead of sixth.

Starting XI: S. Firth (gk), A. Beck, K. Bagg, C. Bedford, B. Goldthorpe, E. Hooson, J. Marfleet, S. Marsland, M. Reece, K. Thompson, L. Tindle. Sub: E. Cooper.
